## PROFESSIONAL SUMMARY

UI/UX Designer with 3+ years of experience delivering intuitive, research-driven digital experiences across mobile apps, enterprise platforms, and AI-powered products. Proven expertise in end-to-end design from UX research and wireframing to high-fidelity UI and developer handoff. Skilled in AI-assisted design workflows using Figma AI, Claude, and Google Stitch. Delivered products for TATA, Axis Bank, NDTV Profit, Mahindra, Angel One, and HDFC Bank.

## WORK EXPERIENCE

**UI/UX Designer**

**ACC | Sep 2025 - Present**

- Designed AI-driven products and dashboards: WeatherXpert (TATA), Axis Bank portal, NDTV Profit panel, and banking AI agents using Figma AI, Claude, Pencil.dev, and Google Stitch.
- Converted high-fidelity designs into frontend-ready outputs using AI tools, streamlining design-to-development handoffs. - Led end-to-end UX process from wireframes through high-fidelity UI with a focus on scalable design systems and usability.
- Collaborated with clients, developers, and product teams to align requirements and ensure pixel-perfect execution.

**UI/UX Designer**

**Anvis Digital | Dec 2024 - Aug 2025**

- Designed Kintree (family heritage app) and Nutria (AI-powered fitness and nutrition app) from concept to high-fidelity UI.
- Built responsive websites and landing pages for The Bombay Store, Casaire, Dente91, Saamya (e-commerce), Emgee Greens, and Times Education Expo 2025.
- Executed UX audits, competitive analysis, and secondary research to drive data-backed design decisions
- Delivered low, mid, and high-fidelity wireframes; attended client meetings on-call and on-site for stakeholder alignment.

**UI/UX Designer**

**Active Neurons Technology LLP | May 2023 - Sep 2024**

- Designed mobile apps, e-commerce websites, LMS portals, landing pages, pitch decks, and internal enterprise tools.
- Conducted user research, wireframing, prototyping, and interaction design to deliver intuitive, visually compelling interfaces.
- Collaborated cross-functionally to meet both business objectives and user needs with strong attention to detail.
